SPIRITS

Maison Hennessy celebrates the pending ascension of only the 8th Master Blender in its history and all from the Filleux family dynasty with the newly released Hennessy 8. Crafted over five years from a blend of eight exceptional eaux de vie—representing one for each generation—only 250 bottles have been created. Each one is individually numbered and presented in a Baccarat crystal carafe. **\$39,000** hennessy.com

AFICIONADO

Art aficionados have an opportunity to tour the Asian contemporary art capitals of Bangkok, Hong Kong, Shanghai, Beijing and Tokyo with unprecedented access. The late winter 2017 excursion from [Remote Lands](http://RemoteLands.com), a leading luxe Asia travel operator, in partnership with The Peninsula Hotels features an intimate tour of acclaimed art museums, galleries, studios and private collections as well as meetings with globally known artists to learn about their craft firsthand. From **\$26,888** per person remotelands.com

EPIURE

White Alba truffles were once considered the food of the gods. Chefs still believe it. The prized tubers are intensely aromatic with a depth of flavor which explains why they're so eagerly awaited come late fall from the namesake town in Piedmont, Italy. Approximately **\$250-\$275/ounce** marxfoods.com
